None at present	0.00%	0
Other	17.86%	5
Total Respondents: 28		

Q5 What are the barriers which prevent you becoming more involved with climate and nature positive action within your practice? You can choose more than one.

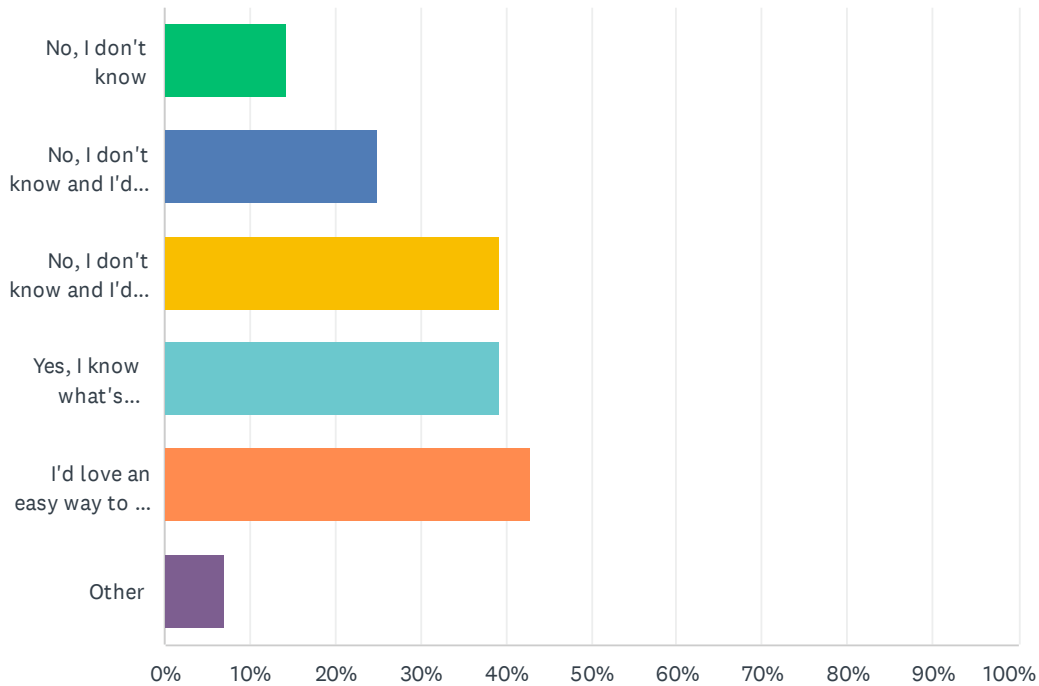

Answered: 28 Skipped: 0

ANSWER CHOICES	RESPONSES	
Lack of time	89.29%	25
Not quite clear how we access the financial savings available by cutting carbon	35.71%	10
Unsure of what to do	25.00%	7
Feels like it's not my responsibility	7.14%	2
Lack of support	14.29%	4
None	0.00%	0
Total Respondents: 28		

Q6 Do you know what sort of action is happening in your local community, eg local climate or nature action groups, or people connected to green/blue volunteering and social prescription activities?

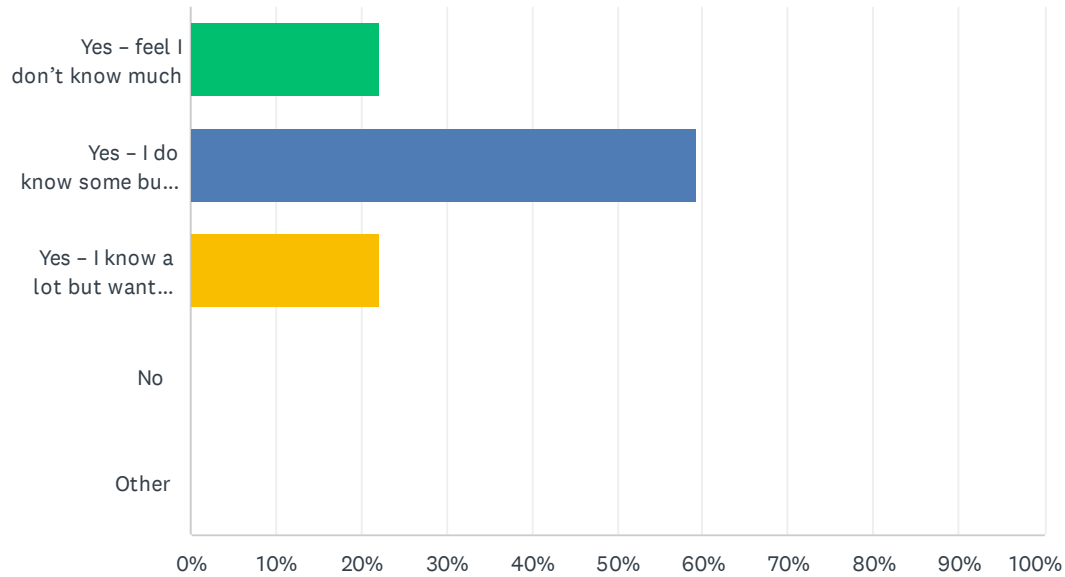

Answered: 28 Skipped: 0

ANSWER CHOICES	RESPONSES	
No, I don't know	14.29%	4
No, I don't know and I'd love to know for my own benefit as a citizen	25.00%	7
No, I don't know and I'd love to know for the benefit of the practice	39.29%	11
Yes, I know what's happening locally	39.29%	11
I'd love an easy way to be able to tell our patients more about this, for example as part of our social prescription activities	42.86%	12
Other	7.14%	2
Total Respondents: 28		

Q7 Would you like more clarity about the impacts of climate change on human health?

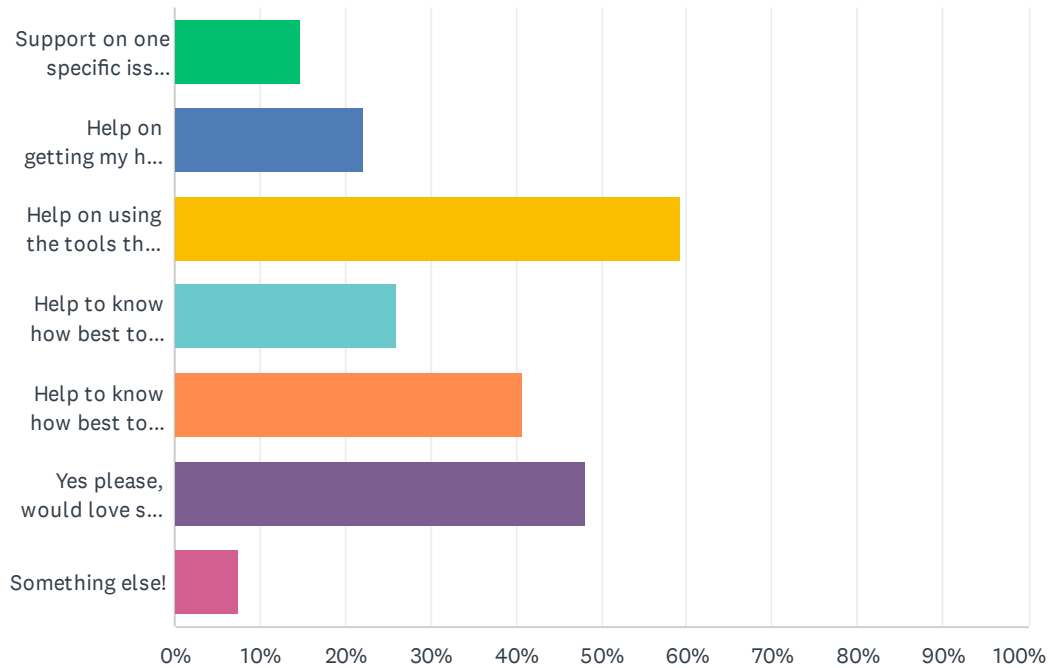

Answered: 27 Skipped: 1

ANSWER CHOICES	RESPONSES	
Yes – feel I don't know much	22.22%	6
Yes – I do know some but want to know more	59.26%	16
Yes – I know a lot but want to keep improving that as part of my CPD	22.22%	6
No	0.00%	0
Other	0.00%	0
Total Respondents: 27		

Q8 We have a small but mighty team to help PCNs on this journey for the next 12 months. What is the one thing you would love some extra support on right now, and would you like help to become a Cornwall Green Health Pioneer? :)

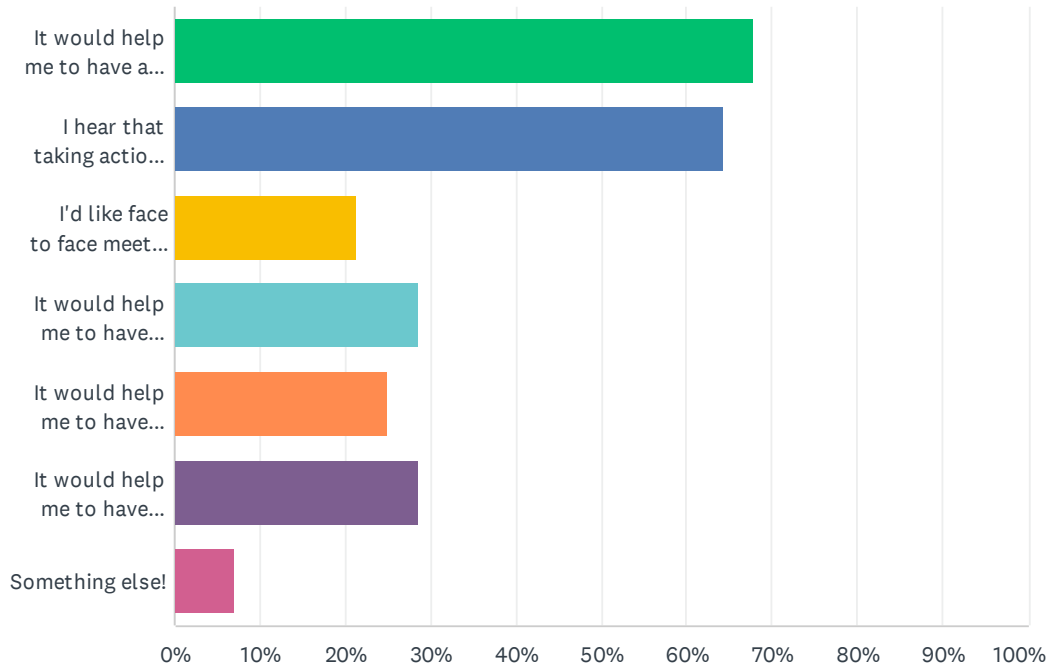

Answered: 27 Skipped: 1

ANSWER CHOICES	RESPONSES	
Support on one specific issue (please say which below)	14.81%	4
Help on getting my head round the health/climate/nature links	22.22%	6
Help on using the tools that are available like the Green Impact Toolkit	59.26%	16
Help to know how best to communicate with colleagues on this	25.93%	7
Help to know how best to communicate with patients on this	40.74%	11
Yes please, would love some help to become a Cornwall Green Health Pioneer!	48.15%	13
Something else!	7.41%	2
Total Respondents: 27		

Q9 What would help you accelerate your actions and hopes on this issue? Again - you can check more than one!

Answered: 28 Skipped: 0

ANSWER CHOICES	RESPONSES
It would help me to have all the local resources being tested, used and created across Cornwall collected and accessible in one place, like Trello, or the RMS (we're using Trello at the mo)	67.86% 19
I hear that taking actions to cut carbon can save money - it would really help to know more about this!	64.29% 18
I'd like face to face meeting on a regular basis for moral support and knowledge swap!	21.43% 6
It would help me to have access to the current Greener Practice whatsapp group (which exists!)	28.57% 8
It would help me to have access to the monthly online meetings for knowledge (which exist!)	25.00% 7
It would help me to have training for engaged staff on how to engage others	28.57% 8
Something else!	7.14% 2
Total Respondents: 28	

Q10 If you want to be updated on any of this, or find out more - just add your details below. :)
